

PLATT

WAL - 007

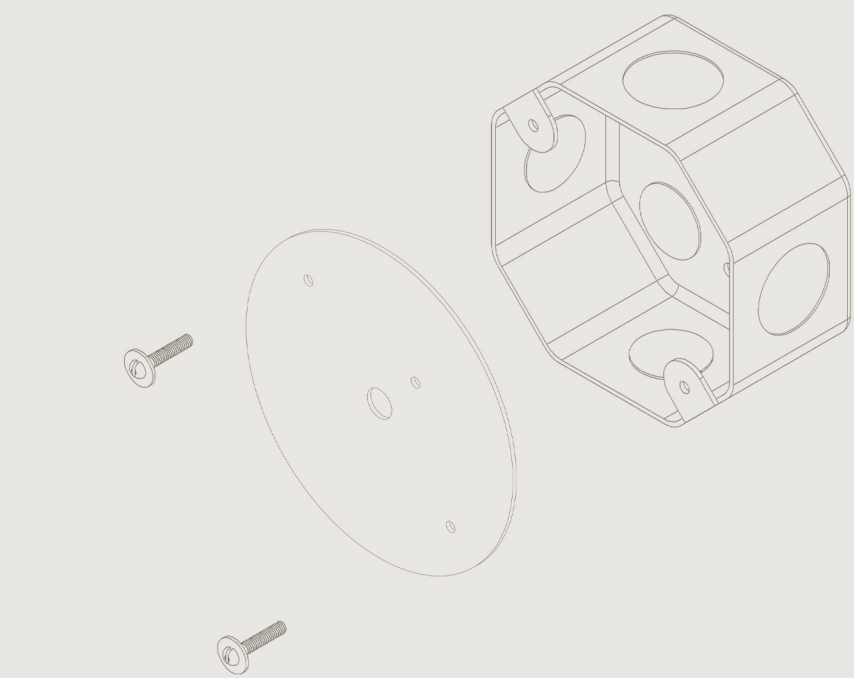

CUT SHEET

PRODUCT DESCRIPTION

Swedish for “flat,” Platt elegantly showcases natural aesthetics with its 150mm width. The large cross-section, combined with multiple milling techniques, results in a captivating yet simple design. Each timber piece is hand-selected by Nörska Artisans, making Platt a distinctive and sophisticated addition to any space. Perpendicular light casting provides a warm ambient glow, emphasizing simplicity and captivating design.
