

AURA 14-3

CEI - 003

CUT SHEET

Revision number : #2
Revision date : 15 May 2026

AURA 14-3

CEI - 003

Description

Aura 14-3 pairs a 14" crafted solid-hardwood shade with a 3" diffused globe, creating a broader wash of light across the textured underside. A subtle metal detail connects the shade to the upper cap, adding a refined architectural accent.

Product Specifications

Wood Finishes

Available in All Standard Wood Finishes

Metal Finishes

Available in All Standard Metal Finishes

Glass Finishes

Available in All Standard Glass Finishes

Cord Finishes

Available in All Standard Cord Finishes

Textures

Available in All Standard Textures

Cord Length

Specified cord length is the distance from ceiling to desired bottom of fixture. Cords are supplied with additional length for installer trimming and final adjustment on-site.

Material Disclaimer

Due to the natural characteristics of solid hardwood, grain and tone variation will occur. Each fixture is unique.
